Huge thanks to Darren for ensuring that this event will continue to be free for the players, he has provided the venue and food on Saturday and Sunday lunch.

The various events at this year's Masters Weekend will be taken care of in separate rulespacks, this one is for Warhammer fantasy.

As in previous years the invites for warhammer fantasy will be sent out as soon as possible after the close of the season on the 2nd weekend in December.

Invites will be given to Tom 'The Master' Mawdsley and the Top 15 players in the Rankings HQ/Element Games UK warhammer fantasy rankings.

In the event of places being duplicated or invites not accepted they will be passed on to the next player in the rankings. Invites need to be replied to by midnight on Sunday 22nd December or they will be passed to the next player.

Paint Points

This is the basic level that we require every army at the masters to adhere:

All parts of all models are neatly and appropriately painted and shaded or highlighted. All bases are painted and textured.

Models that do not meet this standard will be removed from the event.

Players meeting this requirement without having models removed will be awarded **20 painting points**.

An extra **5 painting points** are awarded for having a cohesive army.

An extra **5 painting points** are awarded for all units of more than a single model having appropriately sized painted movement trays.

List Submission Points

20 List Submission Points will be awarded for submitting a legal list to before the end of 2013. This should be sent to armylists@baddice.co.uk

This mailbox will be checked by Ed Morris in the new year (and not before) Any lists that arrived in 2014 will not get these points neither will any list found to be not legal.

Closed lists will be published prior to the event as will the 1st round draw.

5 List Submission points will be awarded to players who do not publish their list online before the official lists announcement.

5 List Submission points will be awarded to players for submitting a list in the correct format. The format used will be as used at the Blood and Glory event and shown [HERE](#)

A Comment Sports Points

There has never been and I hope there will never be any need for sports points at the masters. There will however be zero tolerance for funny business, time wasting (and time keeping!) bad attitude or any other behaviour that should not be expected at a gaming table (think of this as the first warning). It's unfortunate that I have to include this in the rules pack but the actions of a few over past years have soured it for the rest.

Awards

The following awards will be given out:

1st - The Master

2nd

3rd
